About Frontier Bakery

Frontier Bakery is a family-owned Canadian bakery operating from a 40,000 sq ft BRC-certified production facility. Since 2009, we have been producing premium artisan flatbreads and bakery products for Canada's leading retailers including Costco, Walmart, Sobeys, Loblaws, Farm Boy, and Longos.

Our facility produces over 18 million units annually, combining traditional hand-stretched techniques with modern MAP (Modified Atmosphere Packaging) technology to deliver preservative-free products with an impressive 120-day ambient shelf life.

Our Certifications

BRC Certified	Global standard for food safety and quality management
HACCP	Hazard Analysis and Critical Control Points compliance
Halal Certified	Products certified for Halal dietary requirements
Kosher Certified	Products certified for Kosher dietary requirements

Export Capabilities

All our products are export-ready with MAP packaging technology providing 120-day ambient shelf life. We serve markets across Canada, the United States, and the European Union with full export documentation and compliance.
